

Announcing Your Anniversary

Anniversary announcements are published in five-year increments beginning with the 25th anniversary. However, a photo is used only for the 50th and greater announcements. You may submit your own photograph or we will take your picture in our second-floor studio, free of charge. Call 787-2300, ext. 271, to make an appointment. If you are unable to climb stairs, we will come to your home to take the photo. All photos will be mailed back to you, along with a certificate to the Citizen Patriot Golden Wedding Club. Please use full names and middle initials for everyone on this form.
